CLASS REPRESENTATION

WHY BECOME A CLASS REP?

There are too many benefits to list here but most importantly your contribution can have a positive impact on the student learning experience. Plus it looks great on your CV and PDP!

HOW DO I BECOME A CLASS REP?

Speak to your Course Director if you want to put yourself forward for your Course Rep Election. The Election takes place by week 4 of the first semester, the successful candidate will be the person who receives the most votes from their course colleagues.

WHAT DOES BECOMING A CLASS REP INVOLVE?

You will represent the views and opinions of your class colleagues with regard to the programme you all study. This includes commenting on things that work well, giving constructive criticism of things that don't work so well, and suggestions on areas for consideration for the programme.

WHERE CAN I FIND OUT MORE INFORMATION?
