

UUSU Student Executive Report

Report of Vice-President Belfast

01/09/2022

These reports contain an overview of the work conducted from the beginning of my post on the 1st of July 2022, but for day-to-day regular updates, check out my officer social media Instagram account @uusuvpbelfast, or visit www.uusu.org. I welcome comments and/or feedback from members and can be contacted through [vp.belfast@usu.org].

Officer Update

In the run down to Welcome week and freshers, I have been focusing on prepping and getting ready for this busy time. I have several course inductions planned and will be hosting several events. I will be out and about over move in weekend helping new students move in. [These are advertised on UUSU's website.](#)

The SU bar space details have now been confirmed and will be completed next week, in advance of Freshers events. The bar license was approved until 11pm, so we will be working and planning within this.

I've been involved in more recruitment panels to recruit new UUSU staff members to refill vacant roles, including our student staff.

I helped run the society training day, holding an ice-breaker to get everyone at ease!

Portfolio Report

It was confirmed that last year on our green impact submission, we achieved a 'very good' status.

I am now working towards green week becoming the second week in November this year.

For Belfast Student Housing Co-op, we have planned for them to make an appearance at the student freshers' fayre.
