Officer Update

Since the last student executive I have mostly been working on the preparation for freshers. As the interim SE was only approx. a week ago, I have had little time to make any substantial progress regarding my portfolio. I did however have an incredibly productive meetings regarding student safety during the Joint Agency Dialogue as well as a meeting with a member of the PSNI, Student Wellbeing and Reslife to discuss better ways to improve on and off campus safety.

I also had phone calls with:

Portstewart – The Quays + The Station Bar – Promos both have been secured as well as dedicated student nights. Discussions with The Quays may be needed to ensure promos throughout the year.

Portrush – Me & Mrs Jones + The Anchor Complex – Promos specific to students have been secured from Me & Mrs Jones for the year, with substantial more engagement this year than in prior years. The Anchor Complex after a phone call have not been in touch since.

I also have plans to get in touch with Culture Coffee, Bob n Berts as well as other local businesses to discuss student engagement and deals.

Portfolio Report

Student Engagement and Experience since the interim SE has been primarily focused on Freshers preparation, I had a few interactions with Compass, primarily focusing on student

employment, a few students applied and hopefully the Bann View Social staff will consist mostly of students. During the Freshers period, as of 22/09/2022 I have seen consistent engagement with the Bann View Social from first year students on campus. This and general engagement across the campus with regards to the inductions, all of which have been positively received by all courses involved. We have received positive feedback from students regarding the overwhelming majority of the events this year, there is slight trepidation regarding events that according to some students, are often felt as childish considering their ages.
