

UUSU Student Executive Report

Report of Vice President for Education

15.09.22.

These reports contain an overview of the work conducted from the beginning of my post on the 28th of August 2022, for day-to-day regular updates and for informal vlogs as well as our officer social media accounts please visit www.uusu.org. I welcome comments and/or feedback from members and can be contacted through vp.education@uusu.org

Officer Update

During the past three weeks, there has been a focus on ensuring a successful move into the new UUSU offices in the Belfast campus. This move was made official on Monday 12th September and the majority of this week has consisted of settling into the new campus, orientating ourselves and ensuring that all necessary equipment was moved over and unpacked. It's great to be in the new space and we're looking forward to welcoming students next week!

As part of our training, the officers undertook a session focused on preparing us for any upcoming media interviews. This session was facilitated by an external organisation and focused on both TV and Radio interviews. The session was really helpful and informative and has improved my confidence in this area.

During the past month, I also received training to help me in my role as a member of the UUSU board of trustees. This training was a refresher for me as I had taken it last year but it was useful to be reminded of the responsibilities that come with the role and the expectations of board members. The training was then followed by the first meeting of the board which was hosted in the boardroom of the Belfast campus. Due to the confidential nature of the topics being discussed, the content of the meeting will not be elaborated on within this report.

I was also able to attend social media training which was facilitated by the UUSU Digital Media & Campaigns (Mental Health) Coordinator. This session was really helpful and was very well received by both UUSU staff and the officers in attendance. Thanks again to the Digital Media & Campaigns (Mental Health) Coordinator for taking the time to prepare and deliver the training!

I have also been responsible for the co-ordination of UUSU presence in course inductions during welcome week. The team and I are looking forward to delivering these in the coming week and I would like to thank the Student Executive in advance for their help and their patience on this!

I would also like to note that at the time of writing, I am planning to nominate myself for a position on the Governance Committee of USI. I hope to be able to provide an update on this nomination in my next report, following the upcoming election at Comhairle Náisiúnta on 30th September.

Portfolio Report

I was recently asked to give a presentation on the role of Student Officers/ Academic Representatives on revalidation panels. I'm pleased to say this presentation was well received by the group of 50+ academic staff in attendance.

Policy Updates

Policy	Latest Developments	Any Support Required?
Student Complaints	Discussions Ongoing	-
Compulsory Reading Weeks	Discussion had with PVC Academic Quality and Student Experience - ongoing	-
