

FINOLA QUIGG FOR VP EDUCATION

Haigh a chairde, I'm running to be your next Vice President Education. As the current VP Sport & Well-being, I believe I can bring expertise to the role. I understand how UUSU processes work and how I can work to achieve my manifesto goals:

ACCESSIBLE EDUCATION

I want to implement screening processes for ADHD and ASD, this is currently happening at ATU Donegal, so can easily be implemented at UU.

AMPLIFYING STUDENT VOICES

If elected I will work alongside student voice to facilitate frequent check-ins with course reps, school reps and faculty reps.

TIMETABLING

I want students to have earlier access to timetables so students can better plan for accommodation and living arrangements.

KEEP WEDNESDAY AFTERNOONS FREE

As part of timetabling, I would continue working on ensuring that Wednesday afternoons are kept free so students can participate in sport and other extracurricular activities.

RE-SIT FEES

If elected I'd campaign for re-sit fees to be reduced.
