➤ A Bit About Me

Hey! My name is Oscar and I'm running to be Vice President of Equality and Belonging, I'm currently a Biomedical science student at Ulster University Coleraine.

Ulster University has become my home away from home and it would be a privilege to give back to the students and help with ensuring that all students regardless of their race, gender, sexual orientation, religion and background find their place within the University.

If elected, I will fight for your right for support regarding Mental Health, sexual health and financial advice and support to ensure that your stay here at Ulster university is the experience of a lifetime!!

So, on the 6th of March, head to the polls and vote for your choice of equality for everyone!!
