FOR CAMPUS VICE PRESIDENT

FAIRNESS / INCLUSION / SUPPORT

#supporttomakeadifference

Hi, my name is Philip Maguire, I am running for Campus Vice President next year and want to showcase why I am your best choice for Campus Vice President.

A second year History student, my passion is to secure fairness, inclusion and financial/pastoral support for all students in their time at Coleraine.

I want to ensure that students have a positive experience on Campus by obtaining the correct support to make that happen. At school I was a member of the Student Council, representing students' views and concerns, similar to the requirements of this role.

In UUC I am a member of the gym, sports teams and a keen participant at the Quiz nights in the Student Union bar. These help me engage with a range of students from Campus which is vital in this role.

Today, more than any other time, providing support to make a difference is vital. The current cost of living crisis has added a huge burden to students across the country.

To assist students, I aim to:

- Obtain extra cost of living payment for UU students that other university students are getting;
- Help promote a Hub to provide student financial and life guidance;
- Support more affordable university prices, club and gym memberships;
- Guide students to access counsellors who assist students with their concerns;
- Run events that enhance student opportunity and enjoyment of their time here.

Finally, and this is not a sob story. In my life I have had to overcome obstacles, like Dysgraphia, I have had to work twice as hard to get to where I am today, but that drive, passion and going the extra mile are all necessary skills needed to make a difference.

Vote for me and I will work to make a difference for you.
