## How to make your purchase

Option 1: Contact the company and ask them to provide an invoice for the goods you want (they will price according to your exact requirements).

Include the invoice in your [purchase and payment form](#) submission and we will purchase on your behalf.

Option 2: If the company requires you to pay for a basket of goods and doesn't provide an invoice, include the link to each item on your [purchase and payment form](#) and we will purchase on your behalf.

**Please note:** *Societies are welcome to make purchases from any company they wish. However, if the company is not on this preferred supplier list you will be required to make the purchase yourself and claim back a refund from your society finances via the purchase and payment form.*
