

UUSU SOCIETIES

RE-FRESHERS'

UUSU Societies have had a brilliant first semester and we are excited to see your success continue in Semester 2!

Whilst you are busily preparing and delivering festive events, we'll be planning **Re-Freshers** – our next big opportunity to showcase UUSU student societies!

We'll have stalls available at our fayres (more on that to come) but we would also like to see you promoting yourselves by doing what you do best – delivering society activities and events!

If you are interested in running a collaborative event as part of our Re-Freshers '26 events calendar, please get in touch!

Approved events will be awarded up to £100 in grant funding!
