VOTING OPEN MARCH 3-5
uusuu.org/student-voice/elections

WHO AM I?

I'm Harsha, a Computing student ready to work for you. My placement in **Student Support** and my work as an **Athena SWAN student rep** taught me exactly how to get results within university systems. I led our **Women in STEM society** to a national "Most Inclusive Society Award" shortlist.

WHY VOTE FOR ME?

ADVOCACY

I'll build a digital **UUSU Hub** where you can log your issues and follow our progress in real-time.

HOUSING

I will lobby for a **UU Rent Guarantor Scheme** to remove unfair upfront costs for international and estranged students.

HEALTHCARE

I'm pushing for a **campus GP and Self-ID support**, so you get the learning adjustments you need the moment you need them.

FLEXIBLE EDUCATION

Life doesn't pause for a degree, whether it's work, family or health. I'll make sure **recorded and hybrid lectures** are a guarantee.

REAL LIFE.

REAL LEARNING.

REAL SUPPORT.
