HONOUR OUR FOUNDER

YOUR CAMPUS. YOUR VOICE. YOUR DECISION.

Should the North West campus be known as Derry-Londonderry Campus (DLD), or should it retain the traditional name of Magee Campus?

Why should you vote Magee?

1. **HONOUR MARTHA MARIA MAGEE**
Martha Maria Magee donated £20,000 in her will to establish Magee College. Her generosity helped make the college in Derry a reality. The campus name recognises her important legacy.

2. **PROTECT OUR HISTORY AND HERITAGE**
(Ulster University)Magee College opened in 1865. The name represents over 160 years of educational history and a long-standing connection with the North West.

3. **PRESERVE OUR CAMPUS IDENTITY**
Magee is a name with deep historical roots in the local community. Keeping the name maintains a connection between today's students, generations of graduates and the campus's history.
