Deputy Returning Officers are selected by the Returning Officer to act as a point of contact and to assist in carrying out the duties of the Returning Officer, however, the Returning Officer's decision is final.

For the purposes of these elections taking place in 2026 the Returning Officer is Lee Doran (President) with the Deputy Returning Officers being Mark Francos (Governance and Policy Coordinator) and Mandy Mulholland (Head of Representation) respectively.

Your main point of contact in relation to conduct or issues during the election period should be Mark @ elections@uusu.org.

5. RELEVANT BYE LAWS

UUSU elections are governed by the rules contained here, alongside the regulations in more depth as provided in **Bye Law Three** governing elections and **Bye Law Seven** regulating member conduct.

These Bye Laws are more comprehensive than this document and govern the running of our elections, methodology, expected conduct and more and it is expected that you have a basic understanding of these.

6. RULE BREACHES

In the event of any breach of the or the bye laws the Returning Officer or their deputies reserve the right to penalise candidates, their campaign teams or remove candidates from the election. This will be at their discretion and as appropriate, repeated breaches by a candidate or their campaign team may result in direct disqualification from the election.

If a breach is significant, you may be instantly removed from the election. The examples below are purely examples and may not reflect the penalties imposed in a real election scenario.

Examples:

- (a) An example of a minor breach would be printing additional materials and result in a verbal warning.
- (b) An example of a significant breach would be a candidate or a member of their campaign team being deemed to have voted on behalf of a student and result in a suspension from campaigning by the candidate and their campaign team for a larger duration of time.
- (c) An example of a major breach would be a candidate physically manhandling a voter and forcing them to vote and this would result in a disqualification and removal from the election.

CODE OF CONDUCT

All candidates will be bound by these rules as of above, the relevant bye laws around conduct and elections and the Code of Conduct below. For any clarification on any rules or bye laws please contact the Governance and Policy Coordinator and Deputy Returning Officer Mark Francos for more information @ m.francos@ulster.ac.uk.
