Policy name: Wellbeing Space for Greater Belfast Development  
Date Presented: 27/5/2020  
Lapse date: April 2022

Student Council notes: (Facts)

No provision has been planned to create a dedicated wellbeing space for the Greater Belfast Development.

Student Council believes: (Opinions)

• UUSU is committed to promoting positive mental wellbeing and ensuring students have the facilities available to stay mentally healthy.

• A dedicated space for wellbeing activities is essential to factor into the new Greater Belfast Development, to allow students a place to relax from what will be a highly populated and busy campus.

Student Council resolves that: (Actions)

Student Executive will lobby the University to ensure that a dedicated wellbeing space is incorporated into the design of the new building.

• The Student Executive will work in partnership with Campus Life to identify the most suitable space

• Subsequently, the Student Executive will work with Estates Services to explore implementation of this policy.
